

ITEM 1

Voting: Put to a vote, the proposal is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 1,911 abstentions, from 1,529,122 shares owned by 70 shareholders representing 0.04% of the total shareholders entitled to vote present and represented;
- 3,996 votes against, from 3,197,804 shares owned by 88 shareholders representing 0.09% of the total shareholders entitled to vote present and represented,
- 4,499,783 votes for, from 3,600,015,300 shares owned by 128,226 shareholders representing 99.87% of the total shareholders entitled to vote present and represented.

ITEM 2

Voting: Put to a vote, the proposal is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 1,790 abstentions, from 1,432,299 shares owned by 67 shareholders representing 0.04% of the total shareholders entitled to vote present and represented;
- 431 votes against, from 345,623 shares owned by 41 shareholders representing 0.01% of the total shareholders entitled to vote present and represented;
- 4,503,469 votes for, from 3,602,964,304 shares owned by 128,233 shareholders representing 99.95% of the total shareholders entitled to vote present and represented.

ITEM 3

Voting: Put to a vote, proposal 3.1 is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 1,800 abstentions, from 1,440,451 shares owned by 65 shareholders representing 0.04% of the total shareholders entitled to vote present and represented;
- 503 votes against, from 402,651 shares owned by 48 shareholders representing 0.01% of the total shareholders entitled to vote present and represented and,
- 4,503,387 votes for, from 3,602,899,124 shares owned by 128,228 shareholders representing 99.95% of the total shareholders entitled to vote present and represented .

Voting: Put to a vote, proposal 3.2 is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 1,799 abstentions, from 1,439,357 shares owned by 61 shareholders representing 0.04% of the total shareholders entitled to vote present and represented;
- 44,501 votes against, from 35,601,866 shares owned by 47 shareholders representing 0.99% of the total shareholders entitled to vote present and represented and,
- 4,459,390 votes for, from 3,567,701,003 shares owned by 128,233 shareholders representing 98.97% of the total shareholders entitled to vote present and represented.

ITEM 4

Voting: Put to a vote, proposal 4.1 is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 5,584 abstentions, from 4,467,723 shares owned by 83 shareholders representing 0.12% of the total shareholders entitled to vote present and represented;
- 439,748 votes against, from 351,799,831 shares owned by 285 shareholders representing 9.76% of the total shareholders entitled to vote present and represented and,
 - 4,060,358 votes for, from 3,248,474,672 shares owned by 127,973 shareholders representing 90.12% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.2 is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 1,883 abstentions, from 1,506,649 shares owned by 80 shareholders representing 0.04% of the total shareholders entitled to vote present and represented;
- 8,514 votes against, from 6,812,194 shares owned by 70 shareholders representing 0.19% of the total shareholders entitled to vote present and represented and,
- 4,495,293 votes for, from 3,596,423,383 shares owned by 128,191 shareholders representing 99.77% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.3 is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 5,746 abstentions, from 4,597,586 shares owned by 89 shareholders representing 0.13% of the total shareholders entitled to vote present and represented;
- 353,158 votes against, from 282,527,270 shares owned by 235 shareholders representing 7.84% of the total shareholders entitled to vote present and represented and,
- 4,146,786 votes for, from 3,317,617,370 shares owned by 128,017 shareholders representing 92.03% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.4 is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 5,721 abstentions, from 4,577,445 shares owned by 86 shareholders representing 0.13% of the total shareholders entitled to vote present and represented;
- 484,301 votes against, from 387,441,261 shares owned by 267 shareholders representing 10.75% of the total shareholders entitled to vote present and represented and,
- 4,015,668 votes for, from 3,212,723,520 shares owned by 127,988 shareholders representing 89.12% of the shareholders entitled to vote present and represented.

ITEM 5

Voting: Put to a vote, the proposal is approved, with:

- The number of shares for which valid votes have been cast is 3,604,742,226 shares.
- 5,749 abstentions, from 4,599,689 shares owned by 82 shareholders representing 0.13% of the total shareholders entitled to vote present and represented;
- 483,546 votes against, from 386,837,873 shares owned by 272 shareholders representing 10.73% of the total shareholders entitled to vote present and represented and,
- 4,016,395 votes for, from 3,213,304,664 shares owned by 127,987 shareholders representing 89.14% of the total shareholders entitled to vote present and represented.
