AGENDA ITEM FIVE: MOTION

Amend, subject to any authorisations required by law or by regulation and with the mandatory report by the Board of Directors, articles 57, 58, 59 and 62 of the Articles of Association.

The purpose of the amendment is to rename the Executive Committee as the Delegated Committee, in order to reinforce the idea of it being a delegated body of the Board of Directors. Consequently, it is proposed to amend the name of the committees under the Board of Directors so that, together, they are referred to as Board Committees, eliminating the reference to "Delegated" in the other Committees.

The reference to "Delegated" is eliminated in article 57, which will now read as follows:

"Article 57. With the exception of matters falling within the remit of the Shareholders' Meeting, the Board of Directors is the highest decision-making body in the Company and is responsible under the law and the Articles of Association for the management and representation of the Company.

Subject to the Articles of Association and the resolutions adopted by the Shareholders' Meeting, the Board of Directors shall act on behalf of the Company and the Company shall be bound by its decisions. The Board of Directors shall be responsible for taking such action as may be considered necessary in pursuit of the Company's object as described in these Articles of Association.

Without prejudice to the foregoing, the Board of Directors acts mainly as an instrument of supervision and control, and delegates the management of ordinary business matters of the Company to the executive organs and management team.

Powers may not be delegated where they are required by law or the Articles of Association to be exercised directly by the Board of Directors or are necessary for the responsible performance of the general function of supervision.

Specifically, to ensure better and more efficient performance of its general supervisory duties, the Board undertakes to discharge the responsibilities provided by law, including:

- a) approving the Company's general strategies;*
- b) appointing and, as necessary, removing directors of the Company's subsidiaries;*
- c) identifying the Company's main risks and implementing and monitoring suitable internal control and reporting systems;*
- d) setting policy on the reporting and disclosure of information to shareholders, the markets and the general public;*

- e) *setting policy on treasury stock in accordance with any guidelines laid down by the Shareholders' Meeting;*
- f) *approving the Annual Corporate Governance Report*
- g) *authorising transactions between the Company and directors or significant shareholders which may lead to conflicts of interest; and*
- h) *generally deciding on business or financial transactions that are of particular importance for the Company.*

The Board of Directors must provide itself with rules of procedure to elaborate upon and extend the provisions of the Articles of Association with regard to the composition and functions of the Board and, especially, of the Board Committees that are established and the responsibilities of directors in the performance of their duties.

The Board of Directors shall, on the basis of a report from the Audit and Control Committee, draw up an annual report on the structure and practice of corporate governance within the Company."

Article 58 is amended to rename the Executive Committee as the Delegated Committee and remove the expression "Delegated" in connection with the other committees, so that it reads as follows:

"Article 58. *The Board of Directors may, subject to a favourable vote by two-thirds of its members, permanently delegate, in whole or in part, such of its powers as may legally be delegated, as it may see fit, to members of the Board, to be exercised by them collectively, jointly or individually, as the Delegated Committee.*

The Board of Directors must constitute all the Board Committees that the company is legally obliged to establish, and at least the following:

- Delegated Committee*
- Audit and Control Committee*
- Appointments Committee*
- Remuneration Committee*
- Risk Committee"*

Article 59 is amended to rename the Executive Committee as the Delegated Committee, so that it reads as follows:

"Article 59. *The Delegated Committee shall consist of a maximum of six directors, to be appointed by the Board with the favourable vote of two-thirds of its members, with a composition similar to that of the Board in terms of categories; the Chairman of the Board shall be a member of this Committee and act as its chair.*

The Delegated Committee is responsible for the coordination of the Bank's executive management, adopting any resolutions and decisions under the scope of the powers granted to it by the Board of Directors, and for overseeing the Bank's ordinary activities; it must report the decisions adopted at its meetings to the Board of Directors, without prejudice to the other functions attributed to it by these Articles of Association and the Board of Directors Regulation. "

Article 62 is amended to rename the Executive Committee as the Delegated Committee, so that it reads as follows:

"Article 62. The Remuneration Committee shall comprise at most five directors, appointed by the Board of Directors, none of whom may be an executive director; at least two of them must be independent directors. The Board of Directors shall appoint its Chairman from among the members who are independent directors, with the favourable vote of two-thirds of its members.

The Remuneration Committee shall have, at least, the following functions:

- 1. proposing, to the Board of Directors, the director remuneration policy*
- 2. proposing, to the Board of Directors, the remuneration policy for general managers and others performing senior management functions who report directly to the Board of Directors, the Delegated Committee or the Managing Directors, and the individual remuneration and other contractual conditions for executive directors, exercising oversight to ensure that they are complied with;*
- 3. advising on the annual report on director remuneration*
- 4. advising on remuneration programmes based on shares and/or options*
- 5. periodically reviewing the general principles of remuneration and the remuneration programmes for all employees, and considering whether they conform to those principles*
- 6. ensuring that remuneration is transparent. "*

The Secretary is responsible for drawing up the minutes and issuing the pertinent certificates, countersigned by the Chairman.*
- 4. The Chairman and Secretary of the Shareholders' Meeting may take the floor at any time during the meeting to explain or to elaborate upon the motions on the Agenda or respond to questions in this connection raised by those in attendance.*

- The par value of the shares thus acquired, directly or indirectly, in addition to any shares already held by Banco de Sabadell, Sociedad Anónima and its subsidiaries, must not exceed, at any time, the legal limit established at any time by the legislation in force (currently ten per cent of share capital), complying in all cases with the limits for acquisition of own shares established by the stock market regulators in the markets on which the shares of Banco de Sabadell, Sociedad Anónima are listed.

Where there are no plans for their disposal or delivery, reduce the share capital in order to cancel any own shares that Banco de Sabadell, Sociedad Anónima may hold on its balance sheet, against profits or unrestricted reserves and in the amount that may be considered appropriate or necessary at any time, up to at most the amount of own shares held as of that date, all in accordance with the provisions of articles 285 et seq. and 318 of the Capital Companies Act.

Authorize the Board of Directors, and grant it the express power to subdelegate this authorisation to the Executive Committee or the director(s) that the Board of Directors or the Executive Committee sees fit, in order that it may execute the

foregoing resolutions and, in particular the resolution on capital reduction, which may be made on one or several occasions and within a maximum period of five years from the date of adoption of this resolution, taking all steps and actions and obtaining all authorisations that may be necessary or required under the Capital Companies Act, banking regulations and other applicable legislation, and in particular authorise the Board so that, within the period and limits established for said execution, it may: set the date(s) of the specific capital reduction(s) to be made, their timing and advisability; determine the amount of the capital reduction; determine the use to be made of the amount thus reduced, furnishing, where necessary, any guarantees and complying with any conditions that may be required by law; amend the wording of Article 7 of the Articles of Association to the new amount of capital; apply for delisting of the shares that are cancelled; and generally adopt any decisions that may be necessary for that cancellation and the consequent reduction of capital; and appoint the persons to participate in formalising these decisions.

AGENDA ITEM NINE: MOTION

Approve the maximum limit applicable to the variable remuneration for the members of the Group's identified staff at an amount equivalent to two years' salary, i.e. 200% of the annual fixed remuneration assigned to each one of them, in accordance with the provisions of article 34.1.g) of Act 10/2014, of 26 June, on the regulation, supervision and solvency of credit institutions, and authorise the Board of Directors to designate such other members in the identified staff as may be required by the regulations or the regulators and, in that event, to update the list in the information made available to shareholders at the next General Meeting of Shareholders.

There are 116 members of the Group's identified staff to which the aforementioned maximum limit on variable remuneration applies, having regard to their profiles and responsibilities and the need to retain the professionals whose work has a material impact on the Institution's risk (risk takers), as set out in the list made available to shareholders at the time notice was given of the General Meeting of Shareholders.

AGENDA ITEM TEN: MOTION.

Following a reasoned report by the Remuneration Committee that was made available to shareholders on the occasion of the notice of the General Meeting of Shareholders, the Board of Directors considers it appropriate to submit for approval by the General Meeting of Shareholders the Director Remuneration Policy for the years 2019, 2020 and 2021, which replaces in all its terms the current Director Remuneration Policy of Banco de Sabadell, Sociedad Anónima, which was approved by the General Meeting of Shareholders on 19 April 2018.

The Policy makes certain changes to the remuneration system for executive directors which have already been implemented in the Remuneration Policy for Senior Management.

The Director Remuneration Policy establishes a system of remuneration for directors that is based on distinguishing between remuneration for their status as members of the Board of Directors, the system for which is unchanged and is maintained in identical terms to that established in 2018, and that paid for performing executive functions.

The remuneration for the performance of executive functions, complies with the provisions of the Articles of Association and is consistent with the contracts signed with the executive directors and with standard market practice at comparable companies, it is compatible with appropriate, healthy and effective management of the institution's risks and, in particular, it conforms to the regulatory parameters regarding prudential regulation and capital that are applicable to Banco de Sabadell, Sociedad Anónima. That remuneration complies with the requirements of European directives and regulations and current legislation, particularly the provisions of the Capital Companies Act, the specific legislation applicable to credit institutions, specifically, Act 10/2014 of 26 June 2014 on the regulation, supervision and solvency of credit institutions, the EBA Guidelines (EBA/GL/2015/22), of 27 June 2016, on sound remuneration policies, and the Principles for Sound Compensation Practices published by the Financial Stability Board (FSB) on 2 April 2009, Directives 2010/76/EU (CRD III) and 2013/36/EU (CRD IV) and is in line with the principles and items that were considered to be appropriate based on standard practice among listed companies and the characteristics of remuneration in financial institutions.

The amendments are as follows:

- Review of the malus and clawback clauses to include criteria based on earnings and risks, and elimination of the need for malice or negligence, extending the scope of application of the clauses.
- Better definition of the procedures and responsibilities of the various organs and departments in connection with remuneration.

- Quarterly payment of the amounts derived from post-contractual non-competition clauses, capped at the amount of remuneration that would have been paid in the non-competition period if the person were still employed.
- Post-contractual non-competition clauses subsist at most until the first age of ordinary retirement established in the current legislation at any given time. Such clauses must be expressly included in the contracts and approved by the Remuneration Committee.
- The Group's annual and multi-year objectives must include correction factors or minimum thresholds (key goals) linked to the Group's capital and liquidity indicators.
- Modification of the adjustment ex ante, which may be applied at Group, unit, country or even individual level, to reflect the various classes of risk.
- Improvement of the definition of the cap on variable remuneration for each year, consisting of 100% of fixed remuneration year. The cap can be raised to 200% of annual fixed remuneration, subject to approval by the General Meeting of Shareholders, in the cases expressly defined in the Policy, there being no scope for discretion on the part of the Remuneration Committee at the time when it is recognised.

On that basis, it is proposed to:

Approve, in accordance with the provisions of article 529 novodecies of the Capital Companies Act, the Director Remuneration Policy of Banco de Sabadell, Sociedad Anónima for the years 2019, 2020 and 2021, the text of which was made available to shareholders when notice was given of the General Meeting of Shareholders, which sets out the maximum amount of annual remuneration that is payable to directors for their functions as such. That Policy replaces, in all its terms, the current Director Remuneration Policy of Banco de Sabadell, Sociedad Anónima that was approved by the General Meeting of Shareholders on 19 April 2018.

Additionally, empower the Board of Directors to interpret, elaborate upon, formalise and execute this resolution to the fullest extent required by law; adopting such resolutions and signing such public or private documents as may be necessary or advisable to give it full effect, with the power to adapt the Director Remuneration Policy of Banco de Sabadell, Sociedad Anónima, when they deem it necessary and at the proposal of the Remuneration Committee, to the circumstances that may arise, the rules established in the applicable legislation, the recommendations or best practices in this connection and the specific requirements of the supervisors, provided that this does not entail a substantial change of its terms and conditions such as to require it to be submitted again to the General Meeting of Shareholders in accordance with the applicable legislation; and, in particular, to:

- a) Implement and establish the specific conditions of the remuneration system for executive directors in all matters not provided for in the Director Remuneration Policy of Banco Sabadell, including in particular, but not limited to, the appointment and removal of directors, establishing their variable remuneration and its terms, establishing any cases of early settlement, and declaring that any conditions upon which such settlement is contingent have been fulfilled.
- b) Adapt the contents and conditions of the Banco Sabadell Director Remuneration Policy to any corporate transactions or exceptional circumstances that arise during its term, referring both to Banco de Sabadell, Sociedad Anónima, and the companies in its group, as well as to the indicators selected to determine the variable remuneration, in order for it to subsist in the same terms and conditions.
- c) Adapt the content of the Banco Sabadell Director Remuneration Policy to any requirements, comments or requests by the competent supervisory authorities and, in particular, make adjustments to the deferral percentages and periods for annual variable remuneration that is applicable to executive directors of Banco de Sabadell, Sociedad Anónima, and to the lock-up period for the shares or the rules for calculating them.
- d) Interpret the rules for the system of settlement and payment of the short-term variable remuneration and the long-term remuneration applicable to executive directors of Banco de Sabadell, Sociedad Anónima.
- e) In general, perform such actions and sign such documents as may be necessary or advisable to render the Director Remuneration Policy of Banco de Sabadell, Sociedad Anónima valid and to implement, elaborate upon and execute it.
